Communication and Language	Children receive SALT 3 times a year from the Airedale SALT team and the staff work on these bespoke targets throughout the year with the relevant training from the speech therapist. Phonics is taught daily as a group and then followed up by bespoke phonics depending on the child's levels and regulation. Children have individual reading books and reading records and these books are shared with the children regularly throughout the week.					
Personal, Social and Emotional Development	Children will be learning a range of skills and developing these in the safe environment of the Nest. These are reflected upon in their EHCP which are received via the graduated approach three times a year.					
Physical Development (Gross motor skills)	Multisport	Gymnastics	Gymnastics	Dance	Dodgeball Ball skills	Handball and ball skills
	Children have access to the outdoor playground where the large equipment is available for them to share with the whole school at playtime and lunchtime. They learn valuable social skills at this time. We try to be as inclusive as possible with the Nest children.					
Music	Daniel's music foundation	Daniel's music foundation	Daniel's music foundation	Follow the beat using instruments.	Daniel's music foundation	Daniel's music foundation
Literacy	Phonics- see Little Wandle progression map.					
	Learning new vocabulary through high quality stories read together  sentence writing and forming letters (when children are ready and have sufficient knowledge of letter/sound correspondences)					
Maths	Planning will follow the White Rose Maths with bespoke planning for the Nest children to meet individual needs.					
Life Skills	Road Safety	Keeping safe when out and about.	Toileting and hand hygiene	Snack time- spreading and cutting toast introduction of fruit cutting chopping and peeling	Getting dressed- putting on our socks and shoes, coats and fastening	Following instructions
